REPLY OF INCOMPLETE REPLY (NON-PROVISIONAL)

Commissioner of Patents and Trademarks
Washington, DC 20231

Attn: Customer Service Center
Initial Patent Examination Division

Dear Sir:

This is in response to the NOTICE OF INCOMPLETE REPLY (NON-PROVISIONAL), dated March 4, 2002, pertaining to the above-identified matter, wherein the signature of the inventor, Stephen R. Decker is missing from the oath or declaration and a late filing fee or oath or declaration surcharge as set forth in 37 CFR 1.16(e) of \$65.00 is due.

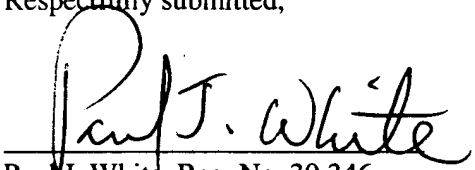

Applicant wishes to clarify the fact that the inventor, Stephen R. Decker, was mistakenly included on the title cover sheet of the application, but is not an inventor in this application. At the time of the filing of this application, there were several other applications being filed that day in which Mr. Decker was an inventor. However, in this particular application he was not. Applicant wishes to stress the fact that no where else is Mr. Decker listed as an inventor in this application.

In view of the above, Applicant includes a corrected copy of the cover title page along with PART 2- NOTICE OF INCOMPLETE REPLY (NON-PROVISIONAL) with hope that this clarifies the error and the application is now in condition for advancement to the next stage.

Respectfully submitted,

Paul J. White, Reg. No. 30,346
